REQUEST FOR CERTIFICATE OF CORRECTION
UNDER RULES 322 AND 323

Sir:

Patentees request that a Certificate of Correction be issued by the Patent and Trademark Office due to errors that appear in the printed patent as a result of Patent and Trademark Office mistakes, and mistakes of a clerical, typographical, or minor character, which were not the fault of the Patent and Trademark Office. A Certificate of Correction form (Form PTO-1050) is attached.

Claim Corrections

Patentees propose correcting a minor, typographical error in Claim 5 at column 24, line 20, by changing “determining” to --determines--, which improves the claim grammatically without changing its scope. Therefore, correction is appropriate and is respectfully solicited.

Patentees propose correcting a Patent Office printing error in Claim 5 at column 24, line 45 by changing “values,” to --value--, in accordance with the text of corresponding application Claim 30 on page 3 of the Examiner’s Amendment attached to the May 29, 2008 Notice of Allowance. Therefore, correction is appropriate and is respectfully solicited.

Required Fee

The statutory fee of \$100.00 is being paid electronically. Any additional fee necessitated by this request may be charged to Deposit Account No. 06-1205.

Patentees' undersigned attorney may be reached in our Washington, D.C. office by telephone at (202) 530-1010. All correspondence should continue to be directed to our address given below.

Respectfully submitted,

/Gary M. Jacobs/
